Sir:

Applicants respectfully request acknowledgement by Examiner of an Amendment for Correction of Inventorship Under 37 CFR 1.48 attached hereto as Exhibit A, which was received by OIPE on April 19, 2001.

MPEP 201.03 states that correction of inventorship in an application is permitted by amendment under 35 U.S.C. 116, which is implemented by 37 CFR 1.48. MPEP 1002.02(e) gives Primary Examiners authority to decide requests under 37 CFR 1.48. MPEP 605.04(g) states that when the request is granted, the Examiner should have the TC's technical support staff enter the correction in the PALM database and print a new PALM bib-data sheet, which will then be placed in the file wrapper.

The requirements set forth by 37 CFR 1.48 are believed to be met by the communication received by OIPE on April 19, 2001, including payment of the processing fee, which has been deposited.

If Applicants' representative can be of assistance in furthering the prosecution of this case, the Examiner is encouraged to contact the undersigned at any time, at (202) 434-1607.

Applicants believe no fee is due. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 618728001US from which the undersigned is authorized to draw.
